ABOUT

COMPANY

Mir Footwear Ltd Is A Growing Footwear Manufacturing Company Established In 2026. We Manufacture Various Kinds Of Shoes , Wallet & Belts Etc.

Mir Footwear Limited Is A Leather Footwear Manufacturing Company Committed To Quality, Craftsmanship, And Innovation. The Journey Began In 2021 With The Establishment Of A Product Development (PD) Section Under The Name Mir Leather, Where The Team Gained Extensive Hands-On Experience In Leather Selection, Design, And Production Processes. After Nearly Five Years Of Industry Expertise And Continuous Improvement, Mir Footwear Limited Launched A New, Fully Equipped Factory In 2026. The Company Now Focuses Exclusively On 100% Genuine Leather Products, Combining Skilled Workmanship With Modern Manufacturing Techniques. With A Strong Foundation In Product Development And A Forward-Looking Vision, Mir Footwear Limited Aims To Deliver Reliable, High-Quality Leather Footwear To Both Local And International Markets.

MISSION

To Exceed Our Customer Expectation In Quality, Timely Delivery, And Price Through Continuous Improvement & To Create Best Work Environment Where Our Dedicated Team Can Meet Their Potential And Thrive In An Atmosphere Of Excellence.

Our Mission Is To Do Everything In Our Potential To Expand Our Efficiency. We Do That By Creating Groundbreaking Innovations, By Making Our Products More Sustainable, By Building A Creative And Diverse Global Team And By Making A Positive Impact In Communities Where We Live And Work.

VISION

We Focus On Developing New Designs, Exploring New Markets And Reducing The Dependency On Imported Raw Materials. To Improve The Quality Of Life In The Communities, We Serve Through Long-Term Stakeholder Value Creation Based On Relationship With Utmost Trust. Shoe Master Footwear Aims To Make A Global Brand Itself And Also Aims To Add Strong Economic Value To The GDP Of Bangladesh. We Want To Make Bangladesh A Developed Country Throughout The World.
